SELECTMEN'S REPORT

The year 1971 was generally a good year.

Our town hall looks much better, with its new aluminum siding, including the painting of all trim and windows. The bulkhead was rebuilt as some rot was present. We feel this will protect our building for a long time.

Much progress was made to beautify the Kinsman Cemetery. The Cemetery committee will continue to maintain and improve it during the coming year.

We wish to thank all those who gave assistance in many ways to Peg and Jack Kenney during the period following their tragic fire.

The selectmen have received some complaints about dogs roaming at will, on the property of others. Let us at town meeting take a few minutes to discuss the matter.

Town Hall is available for your use, so please make any arrangements with the selectmen.

As a reminder, the selectmen meet at town hall at 7:30 P.M. on the 1st and 3rd Mondays. July and August on the 1st Monday.

Sincerely,

Heinz Schultze
Robert Wutzdorff
Frank Griffin

REPORT OF THE TOWN OF EASTON CEMETERY COMMITTEE 1971

The voters of the Town of Easton appropriated the sum of \$1,750.00 for care and improvement of the cemetery during 1971.

Ernest F. Doolan was again employed to do much of the work in his spare time, until he was, unfortunately, ill with a severe heart attack, so some of the work was limited.

Robert P. Peckett contracted to remove the rocks from the upper part of the cemetery, level and seed it. He prepared the road for tarring, and then did the tarring in the fall, doing an excellent job.

The Trust Fund lots received extra care and 2 new Trust Funds were added to our list. Mowing and clipping was carried on until late October. Clumps of perennial daisies, contributed by Mrs. Helen Young, were set in near the gate. The Cemetery sign and post were painted, also the gate, fences around special lots, and flag holders. The Veterans graves were decorated at Memorial time with flags furnished by the Howard Shawney Post V.F.W. of Littleton.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

LEST WE FORGET — IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellar holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947 nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand - a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic, be sure open fires are allowed and if they are, put them **dead out** when leaving.
4. **Most important** - instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year - 1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned - 1971 season:

STATE	463 fires - 160 acres
DISTRICT	19 fires - 11 1/4 acres
TOWN	0 fires - 0 acres
